BOOTH 13

Exhibit Hall

● 48th EOS/ESD SYMPOSIUM & EXHIBITS · FRISCO, TX · SEPT 28-30, 2026

One ESD program. 21 languages.

ESD e-learning, the ESD-Manager software and live measurement know-how from Germany — built on IEC 61340-5-1:2025 and ANSI/ESD S20.20.

WHAT'S AT BOOTH 13 · FOUR STATIONS, EVERYTHING LIVE

1 ESD e-learning

Take a lesson in any of the 21 languages — on any phone, tablet or PC.

2 Live measurement lab

Walking test on a real ESD floor versus the hotel carpet, plus resistance and field measurements.

3 ESD-Manager software

Sites, EPAs and measuring points, automatic pass/fail, audit-ready export.

4 Sneak preview & expertise

Our resistance recorder concept — and how we run audits across Europe.
